Collective worship policy

This policy was approved by the Headteacher in October 2025

To be reviewed: October 2027

Statement of Intent

As a Church school, worship is an affirmation and celebration of our Christian ethos where children have the opportunity to learn, worship and grow in their understanding, worldview and knowledge of themselves.

Our acts of collective worship reflect the variety of traditions found in the Church of England and recognise and follow the Christian liturgical year. The daily act of worship is central to our ethos and is supported by all staff and governors. It makes an important contribution to the overall spiritual, moral, social and cultural development of the whole school community.

The aims and purpose of collective worship are:

- To provide an invitational opportunity for the children to worship God
- To enable children to consider spiritual and moral issues
- To encourage inclusivity, access, participation and response
- To inspire an exploration of personal beliefs
- To inspire a sense of community spirit
- To promote a common ethos with shared values and to reinforce positive attitudes

The Legal Requirements

We seek to comply with the School Standards and Framework Act 1998 (Section 70 and Schedule 20) which requires that:

- All registered pupils (apart from those whose parents exercise the right to withdrawal) must on each school day take part in an act of collective worship.
- The daily act of collective worship should be conducted in accordance with the provisions of the Trust Deeds of the school and the ethos statement in the Instrument of Government, and should be consistent with the beliefs and practices of the Church of England.
- All acts of collective worship in Church schools must be broadly and mainly, Christian in character. Pupils and adults can be grouped in various ways for worship such as the whole school, classes, or other combinations.
- Acts of worship must be appropriate for the pupils in that they should take account of the pupils' age, aptitude and family backgrounds.
- The daily act of collective worship will normally take place on the school premises but all schools are able to hold their Act of collective worship elsewhere (e.g. the local Parish Church) on special occasions.
- Responsibility for the arrangement of collective worship in a Church of England school rests with the Local Governing Body in consultation with the Headteacher.

Principles of collective worship

Each adult and pupil will experience worship that is truly welcoming, inclusive and exemplifying the principles of Christian hospitality. Collective worship therefore will be:

- Inclusive – Our acts of worship recognise that pupils and adults come from different religious and non-religious perspectives. Though collective worship will remain broadly Christian in nature, it

will be fully accessible to all. Care will be taken to ensure that language used by those facilitating worship avoids assuming faith of those participating, listening or watching.

- Invitational – In our acts of worship, there is no compulsion to ‘do anything’. Rather, worship will provide the opportunity to engage whilst allowing the freedom of those of different faiths and those who profess no religious faith to be present and to engage with integrity. Pupils and adults will only be invited to pray and sing if they wish to do so.
- Inspiring – By asking and discussing big questions about who we are and what we do, we hope to motivate and inspire pupils and adults into living out our values. There will be opportunities to think, reflect and ponder on their and the wider community’s behaviour and actions.

Implementation

In addition to the above, we seek to provide acts of collective worship that reflect the faith and practice of the Church of England. Therefore:

- We use the Bible for inspiration and learning and make pupils familiar with the Lord’s Prayer, psalms, liturgy and other verses of scripture. We also introduce them to a variety of well-known prayers – many of which express the central beliefs of Christians throughout the ages.
- We use aspects of Anglican liturgy to create a framework for worship (gather, engage, respond, send). We observe the cycle of the Anglican year including celebrations of the major Christian festivals.
- We aim to provide a worship space which is attractive and well prepared with appropriate thought having been given to colour, space, seating, ambience and music.
- We foster links with St. Peter’s Church, involving the Reverend Simon Watkinson in leading collective worship and providing coherence between worship in church and school and visit at least three times per year as part of the Christian calendar.
- We recognise that different members of our school community reflect in different ways. Music, story, silence, prayer, drama and other approaches are incorporated within a varied collective worship offer.

Rights and Responsibilities

As established by the 1944 Act and reinforced through this policy, parents have the right to withdraw their children from collective worship. However, having chosen to send their children to St. Peter’s, it is hoped that no one will exercise this right. Should such a situation arise, appropriate arrangements would be made in keeping with the requirements of the Act.

Planning

Planning for collective worship is led by the headteacher and is undertaken in consultation with the school’s adult community. Plans follow the cycle of the Anglican year. The headteacher ensures that leaders and visiting speakers receive copies of the long-term plans. Individuals and groups are responsible for using the plans as a basis for developing their own short-term plans for individual acts of worship.

Organisation

An act of collective worship is held daily. This may involve the whole school or smaller class or key stage groups. Where collective worship forms part of an assembly, we ensure that there is a clear distinction between the two elements of gathering. Information sharing takes place first

and is followed by the time of worship.

The headteacher and other members of staff, together with groups of children take turns to conduct collective worship. The local vicar, Reverend Simon Watkinson, and a youth worker from St. Peter's church, Shannon Burton, each take Collective Worship termly.

We use Friday Celebration worship as an opportunity to share children's work and to celebrate their successes. These culminate in an act of collective worship and play an important role in promoting the ethos of the school.

Contribution to Spiritual, Moral, Social and Cultural development

We recognise that although SMSC development should be fostered across the whole curriculum, acts of collective worship provide a multitude of opportunities in this area. For example, children will be encouraged to reflect on and celebrate the deeper meanings of life, consider their own behaviour and recognise the need for forgiveness, appreciate the contributions of others and respond to their needs, value their own culture and the cultures of others.

Monitoring and Evaluation

We aim to develop the monitoring and evaluation of collective worship by continuing to keep records of collective worship and surveying adults and children as to their views on its effectiveness. The coordinator and others will routinely observe and monitor acts of collective worship in line with these criteria.

Inclusion

We are committed to equality of opportunity regardless of race, gender, sexuality, cultural background, ability or any physical or sensory disability. We therefore aim to make collective worship accessible to all and accommodate ourselves to individual needs when appropriate.

Implementation of Policy

The headteacher as collective worship Coordinator is responsible for this policy which will be reviewed every two years. Its implementation is the responsibility of all those planning and leading collective worship.

Review

This policy will be reviewed every two years.
