

St Peter's Science Long Term Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	It's Good To Be Me And Autumn All about me and my family Looking after my teeth Links: All about Me Looking at Autumn changes Links: Weather	Blast Off! Night and Day Learning about Space Links: Light and Dark/The Earth and Beyond	What shall I Wear? (Inc Chinese New Year) Exploring weather and materials Snow and Ice Links: Weather and Seasons Materials	Spring on the Farm Our Pets Learning about animals and simple life-cycles. Links: Living things, animals, pets	What's Growing? Investigating what's growing in our garden and how we grow. Healthy Eating - fruit/veg Links: Plants and Trees, Taking Care of ourselves, Growing up	Let's Go Wild! Exploring jungle animals and dinosaurs. Links: Living things, animals, habitats
1	All about Me	Seasons and Weather	Materials	Pets	Plants and Trees	Animals and Sea life
2	Everyday Materials	Investigating Materials	Growing Up	Taking Care of Ourselves	Growing Plants	Living Things and Habitats (food chains)
3	Nutrition (how we survive)	Rock Detectives	Muscles and Bones	Forces and Magnets	Light and Dark	Plants
4	Electricity	Changing States	The Digestive System	Sound	Living Things (food chains)	Habitats
5	Feel the Force	Changes in Materials	Properties of Materials	The Circle of Life (life cycles and plants)	Plants and Animals (reproduction)	The Earth and Beyond
6	Electricity	Living Things and Their Habitats	Evolution	Light	Light	Animals and Humans

Where possible our science topics link in with our topic overviews for history and geography
