

Y4 CURRICULUM OVERVIEW – AUTUMN 2 2022

St Peter's Church of England Primary School
Hope, Honesty, Compassion

Our learning for Autumn 2

	English	Maths	RE	Science	Geography	French
Topic:	Text: The Twits: Plays for Children and The Water Cycle	Addition & subtraction, Multiplication and division and Area	How and why do people try to make the world a better place?	Changing States	Wonderful Water	French at School
What we are learning:	Play scripts, explanations and instructions.	To be able to compare areas. To multiply numbers by 6, 7, 9, 11 and 12. To divide a number by 1 and itself.	Identify some beliefs about why the world is not always a good place. To suggest answers about why the world is not always a good place, and what are the best ways of making it better.	To observe that some materials change state when they are heated and cooled. To identify the part played by evaporation and condensation in the water cycle.	To locate the world's largest bodies of water. To differentiate between different forms of water. To explore the consequences of global warming on water distribution.	How do you go to school? Rooms. In your pencil case. What time is it?
